

The Hong Kong Orthopaedic Association e-Newsletter (February 2026)

HKOA
eNewsletter

Dear Fellows, Members and Associated Members,

As the President-Elect, it is my great pleasure to extend my warmest greetings to each and every one of you at this auspicious time. We have now entered the Year of the Fire Horse in the Chinese zodiac—a symbol of energy, forward momentum, independence, and prosperity. The Horse gallops with strength and determination, bringing opportunities for progress and success. On behalf of the Association, I wish you and your families abundant health, great prosperity, happiness, and professional fulfilment in this dynamic Year of the Horse. May it bring you vigor and achievements in all your endeavours.

This year, we remain committed to providing a robust platform for collaboration with orthopaedic societies around the world, sharing knowledge, advancing research, and enhancing patient care through global exchange.

We are pleased to have established a new collaboration with the Nepal Orthopaedic Association, which recently invited us to participate in their annual congress, ORTHOCON 2026, held in Birtamod, one of Nepal's key cities. This marks the first time our Association has been invited to this event, highlighting our shared interest in fostering international dialogue in orthopaedics.

Building on this positive step, we aim to develop similar connections with other regional societies to expand opportunities for communication and cooperation among professionals in the field. These efforts will help us explore more avenues for mutual growth and innovation.

Thank you for your continued support and dedication. Together, let us move forward with confidence in this promising year.

Warm regards,

Dr Wong Chong Hing
President-Elect
Hong Kong Orthopaedic Association

34th Annual Scientific Congress – Hong Kong College of Cardiology

Date: 5-7 June 2026

Venue: Hong Kong Convention and Exhibition Centre

Registration: <https://hkccasc.com/2026/index.html>

The banner features the Hong Kong College of Cardiology logo on the left, which includes a shield with a caduceus and the text 'HONG KONG' and 'Hong Kong College of Cardiology'. To the right of the logo, the text reads '34th Annual Scientific Congress Hong Kong College of Cardiology 5 - 7 June 2026 Hong Kong Convention and Exhibition Centre'. On the right side, there is a graphic of a heart with a green landscape inside it, and a green arrow pointing left with the text 'Integrating Global Frontiers with Local Patient-Centered Care'. Below the main title, there is a red section header 'Call for Abstracts & Cases'. Underneath, there are two columns: 'Themes' and 'Awards'. The 'Themes' column lists various medical topics, and the 'Awards' column lists several award categories. At the bottom, there is a blue box with the submission deadline and notification date, a QR code, and the website URL.

34th Annual Scientific Congress
Hong Kong College of Cardiology
