

# The Hong Kong Orthopaedic Association e-Newsletter (March 2025)

Dear Fellows, Members, and Friends,

First and foremost, I would like to extend my heartfelt gratitude to Dr. K.K. Wong for the gracious invitation to serve as President-Elect of the Hong Kong Orthopaedic Association. It is a great honor for me to contribute to this esteemed role.

The Hong Kong Orthopaedic Association continuously organizes educational activities, including workshops, seminars, and conferences, and supports our members in attending overseas meetings either in person or via Zoom, through various sponsorship and ambassador programs. Beyond these academic events, we are equally committed to community service. "Hello, little intern. I am Dr. Bone, and welcome to the orthopaedic clinic. Today, you will treat your bear's bone problem in this clinic." This was how I welcomed every "little intern" at the Playright Playful Bear Hospital 2024. The children were delighted to learn what a 'Bone Doctor' does, and they had the opportunity to apply and remove 'casts' during the activity. I was told that our station was one of the most popular, as children loved interacting with real doctors.

This year, we are hosting a session entitled "The Journey of Fragility Fracture" at the MMMC2025. The session will cover both surgical and non-surgical treatments, perioperative care, and secondary prevention strategies. We are delighted to welcome representatives from the Society of Anaesthesia, the Society of Geriatricians, and the Osteoporosis Society of Hong Kong. By bringing together various specialties, we aim to achieve a holistic understanding of managing fragility fractures and providing the best treatment for our patients. We are looking forward to further collaboration with other specialties to enhance the standard of care for our patients.

More activities will be announced not only in our Newsletter but also on the newly revamped Hong Kong Orthopaedic Association website. Please stay tuned for more updates.

Sincerely,

Dr. Wong Chong Hing  
President-Elect (2025-2026)  
The Hong Kong Orthopaedic Association

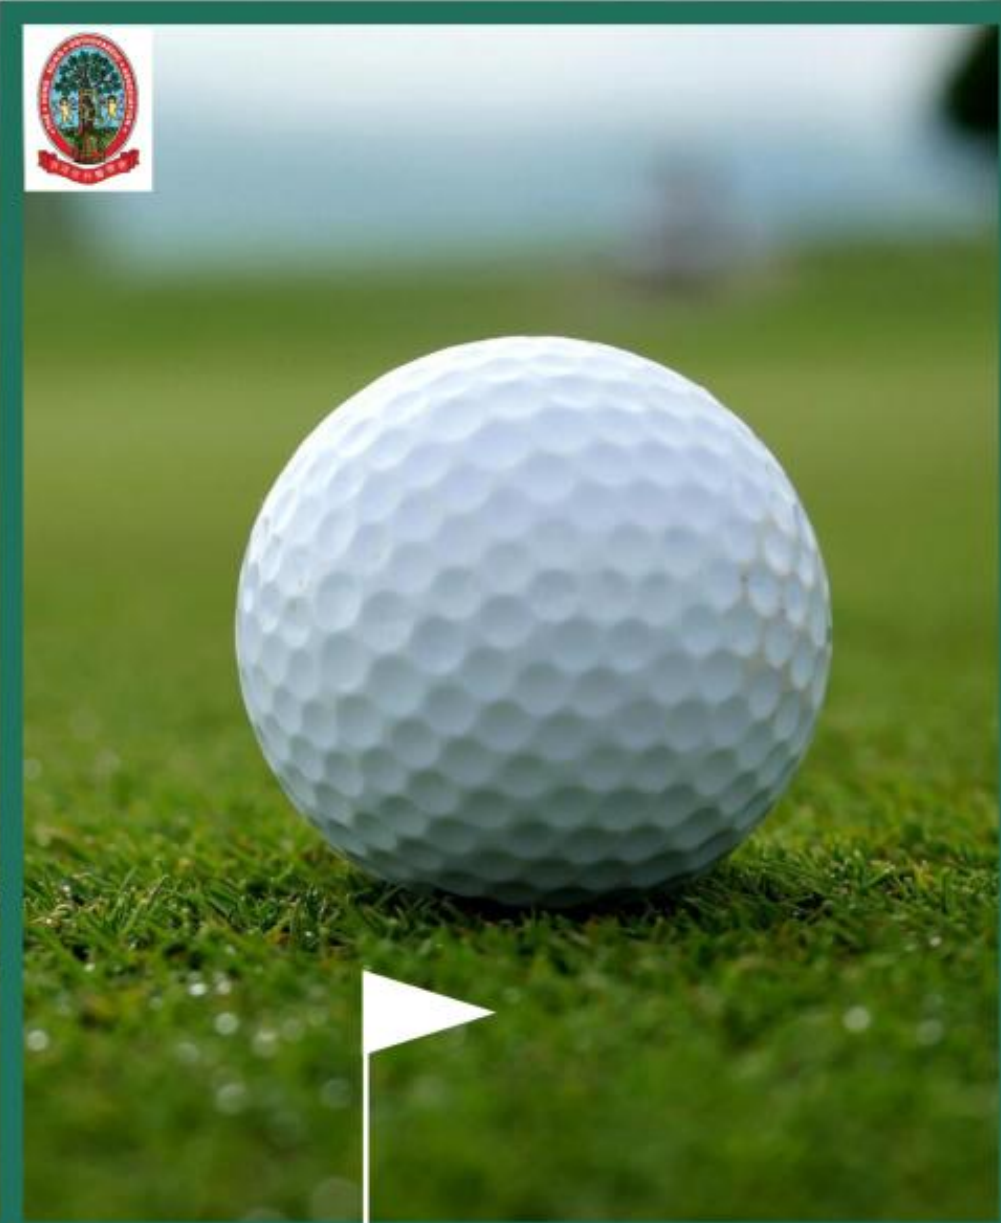

## Upcoming Events:

### HKOA Golf Tournament Day 2025

Date: 9 April 2025 (Wed)

Venue: Hong Kong Clear Water Bay Golf & Country Club

Registration Link: <http://hkoa.org/>

The poster features a central image of a white golf ball on a green, with a white flagstick in the foreground. The background is a blurred golf course. In the top left corner, there is a small circular logo of the Hong Kong Golf Association. The bottom section of the poster is a dark teal color with white text.

# 2025 HKCOS Scientific Meeting

Date: 5 - 6 April 2025 (Sat – Sun)

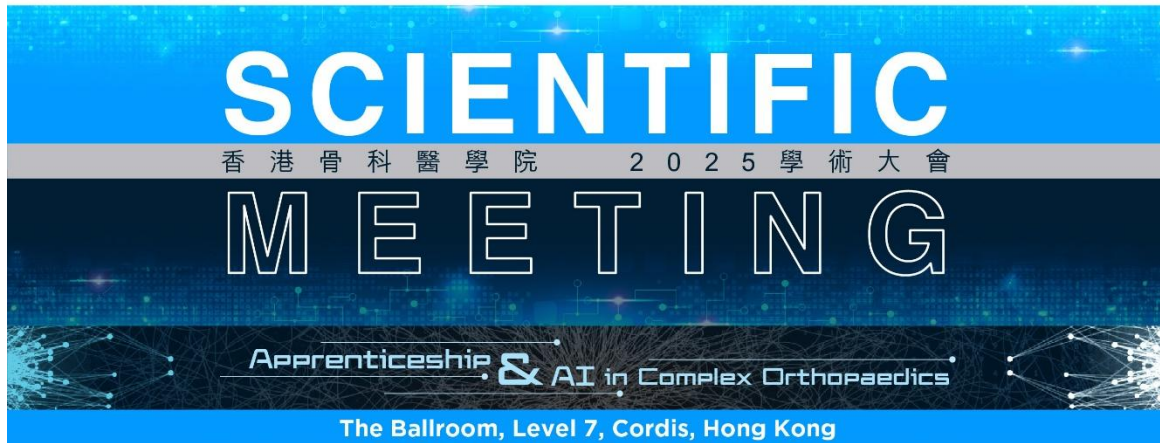

Venue: The Ballroom, Level 7, Cordis, Hong Kong

Registration Link: <https://sm.hkcos.org.hk/>

THE HONG KONG COLLEGE  
OF ORTHOPAEDIC SURGEONS

Supported by

## 5 April 2025 (Sat)

08:50–10:40

### Guest Lecture Session: Challenges in Orthopaedic Training I

- Utilisation of artificial intelligence for training of new surgeons  
*Prof ZHANG Teng Grace*
- Simulation technology as a complement to traditional training models  
*Prof ZHANG Zhongkai*
- Does a video-based and 3D animation hybrid learning system improve teaching outcomes in orthopaedic surgery?  
*Dr YE Zhewei*
- Embodied artificial intelligence system for shared autonomy in ultrasound-guided interventions  
*Prof LIU Hongbin*
- The journey of orthopaedic training in South Korea  
*Prof HAN Seung Beom*

11:05–12:20

### The Best Original Research by HKCOS Trainees: Top Presentation Round

12:20–13:00

### Harry Fang Oration

- Reflections from my translational research in robotic surgery – a combination between art and science  
*Prof CHIU Wai Yan Phillip*

13:00–14:00

### Lunch Symposium

14:00–15:30

### Guest Lecture Session: Orthopaedic Development in Greater Bay Area

- Standardising spinal surgery development: advancing safety and quality in Guangzhou and the Greater Bay Area  
*Dr RONG Limin*
- History of spine surgery training in Hong Kong – challenges, opportunities and success  
*Prof LUK Dip Kei Keith*
- Accuracy evaluation of a novel spinal robotic system for autonomous laminectomy in thoracic and lumbar vertebrae  
*Dr LI Weishi*
- Intelligent technology is changing arthroplasty: singularity moment  
*Dr CAI Hong*

15:55–16:55

### Medicolegal Session

- Managing patient complaints and good record keeping  
*Mr CHAN William*
- Risks and legal issues of medical practitioners' practice promotion  
*Mr SE-TO Warren*

16:55–17:25

### Panel Discussion:

#### Enabling Technology for Complex Orthopaedic Surgeries

- Rapid crossfire virtual 3D case planning
- Tibial plateau fractures
- Acetabulum fractures  
*Prof FANG Xinchuo Christian | Prof LEUNG Ka Li Frankie | Dr SIU Yuk Chuen | Dr CHOI Shing Hing | Dr YUNG Shing Yat Colin*

17:25–17:45

### Trainee Q&A Session

## 6 April 2025 (Sun)

09:00–10:20

### Orthopaedic Rehabilitation Session: Musculoskeletal Ultrasound

- Game changers: impact of advance ultrasound technology on musculoskeletal pain management  
*Dr SIU Kam To Peter*
- Artificial intelligence in ultrasound: Where are we in 2025?  
*Dr CHEN Chih Chun Wesley*
- Application of MSK USG in physiotherapy perspective  
*Dr CHAN Chun Ming Alex*
- Case studies: ultrasound guided interventions for musculoskeletal pain  
*Dr CHEN Chih Chun Wesley*

10:45–11:55

### Orthopaedic Rehabilitation Session: Management of Chronic Pain

- Virtual reality in chronic musculoskeletal pain  
*Prof SIT Wing Shan Regina*
- Orthopaedic perspective in musculoskeletal pain management  
*Dr LEUNG Siu Man Simon*
- Using mobile app technology for monitoring and rehabilitation of knee pain in community-dwelling elders  
*Mr CHAN Kin Tung Francis*

11:55–12:45

### Guest Lecture Session: Challenges in Orthopaedic Training II

- Digital transformation in shoulder surgery  
*Prof YAMAKADO Kotaro*
- Master apprenticeship for surgical training on periprosthetic femoral fractures  
*Prof HAN Seung Beom*

12:45–13:45

### Lunch Symposium

- Tackling complex arthroplasty cases with disruptive innovation: the age of enabling technology  
*Prof ONG Tim Yun Michael*

13:45–14:55

### Guest Lecture Session: Enabling Technology for Complex Orthopaedic Surgeries

- Use of 3D printed model and computerised navigation in complex paediatric spinal deformity  
*Dr MA Chun Man*
- Artificial intelligence tools for complicated arthroscopic surgeries  
*Prof YAMAKADO Kotaro*
- Construction and application of medical metaverse scenarios  
*Dr YE Zhewei*

15:20–16:50

### Orthopaedic Rehabilitation Session: Advance in Anterior Cruciate Ligament (ACL) Rehabilitation

- Advance in management of ACL injury  
*Dr NG Jonathan*
- Factors hindering RTS or good outcome after ACL reconstruction  
*Mr KAM Sai Wai Leo*
- Enabling technology in ACL rehabilitation  
*Dr WONG Cham Kit Dennis*
- Optimising ACL reconstruction rehabilitation with modern technology  
*Ms CHAN Kit Laam Kelly*

# Robotic Arm Assisted Arthroplasty Cadaveric Certification Course

Date: Sawbone Workshop: 13 – 14 May 2025  
Cadaveric Workshop: 17 – 18 May 2025

Registration Link: <https://www.ortho.hku.hk/roboticarm2025/>

 **HKU Med** School of Clinical Medicine  
Department of Orthopaedics  
& Traumatology  
香港大學矯形及創傷外科學系

## Robotic Arm Assisted Arthroplasty Cadaveric Certification Course

### FEATURES

- Lectures
- Discussions
- Hands-on cadaveric workshop

### OBJECTIVES

- Certification for robotic-arm assisted TKA, PKA, THA
- Enhanced case planning
- Surgical techniques & pearls
- Surgical results

### PROGRAM DIRECTOR

- Prof FU Chun Him, Henry

### TRAINERS

- Prof CHIU Kwong Yuen, Peter  
Honorary Clinical Professor  
Department of Orthopaedics and Traumatology  
The University of Hong Kong
- Prof CHAN Ping Keung, Lewis  
Clinical Associate Professor  
Department of Orthopaedics and Traumatology  
The University of Hong Kong
- Prof FU Chun Him, Henry  
Clinical Assistant Professor  
Department of Orthopaedics and Traumatology  
The University of Hong Kong

Sawbone Workshop **13-14** MAY 2025

Cadaveric Workshop **17-18** MAY 2025

### Venue

**13-14** MAY

9/F, Stryker APAC Training Centre,  
Cityplaza Phase 4,  
12 Taikoo Wan Road, Quarry Bay

**17-18** MAY

9-10/F, Surgical Skills Centre,  
Laboratory Block, Faculty of Medicine  
Building, 21 Sassoon Road, Pokfulam

### Deadline for Registration

6 April 2025 (Sun) 22:00

Successful applicants will be notified via email no later than 11 April 2025

### CME Accreditation
